NEW SAWMILL TO BE BUILT AT WAGES CREEK

Westport Tie Co. Will Inaugurate Extensive Improvements There

WESTPORT, Oct. 21.—A sawmill at Wages Creek in the near future is among the probabilities at this writing. It is likely that construction will be begun in a few weeks and that the plant will be completed during the winter.

W. S. Melville, who has a contract for getting out tanbark on the Noyo river, is to be in charge of the construction work and the mill after it is completed. His crew will be moved from the Noyo as soon as the rains put a stop to bark operations there.

The mill is to be constructed for the Westport Tie Co., which has a big contract from the Santa Fe railroad for ties and timbers. The output will be confined for the most past to the sawing of switch ties, bridge and tunnel timbers, etc. The capacity of the plant will be about forty to fifty thousand feet daily.

Among the first work to be done by the mill will be the sawing of lumber and timbers for the construction of a new wharf at Westport, which the company has had under consideration for some time.

The company has also purchased the A. J. Lowell general merchandise store here.

The Westport Tie Company has extensive holdings on Wages Creek and across the ridge in Jackson Valley, and it would not be surprising if the company extends its railroad into Jackson Valley to enable it to get easier access to its holdings.

CLARKE-LOVEJOY WEDDING AT BRANSCOMB MONDAY

A merry wedding party, consisting of Wm. V. Clarke and Harriet May Lovejoy, bride and groom; George Lovejoy and son and Miss Inez Ells, motored to Ukiah last Monday morning from Jackson Valley. Immediately after their arrival here the principals departed on the south-J. E. Moore, departing on the southbound train for a short wedding trip to San Francisco and other points, carrying with them many hearty good wishes.

The bride is the daughter of Mr. and Mrs. George Lovejoy, well known residents of the Jackson Valley section. She is a pretty and charming young lady and highly popular with a host of friends. Mr. Clarke is a son of Mr. and Mrs. J. H. Clarke of the Cahto section and is well known here. He, like his winsome bride, is also popular with a multitude of friends.

They were married by Judge Furniss at Branscomb Monday morning.

The couple will come in for felicitations from all, in which the Dispatch-Democrat joins.

Drive to Start Next Week For Treasury Certificates

Monday will see the start of the drive in this section for the sale of United States Treasury Certificates. This is the new registered Government security and the sale will be managed in much the same manner as that of the Liberty Bonds. The citizens of the valley will be solicited to buy these certificates. They are a splendid investment and those solicited are being extended a favor, so a courteous hearing should be given the solicitors and those who have money lying idle can do no better than to invest. For instance, an investment of $83.82 next week will be worth $100 on January 1, 1924. An investment of $838 now will be worth $1000 on the same date.

As a safe and sure investment it cannot be excelled.

California Hops Sell Above N. Y. Product

Reacting to the recent high prices for hops, the highest paid in California or the Pacific Coast, the New York quotations on Pacific Coast hops have swung upward to a mark that passes for the first time this year the prices paid for New York hops.

California hops are quoted at from 79 to 90 cents a pound, while New York hops run from 75 to 82 cents. Last year's California hops are now worth from 60 to 65 cents in New York, and the New York brand command from 60 to 65 cents.

TWO MORE YOUTHS IN TOILS OF THE LAW

An unusual number of petty crimes have been committed in this county lately by youths, the usual transgression being burglary. No less than four gangs have been taken into custody lately, the last being a couple picked up by Sheriff Byrnes at Eureka the latter part of last week and jailed Saturday. They are Raymond Gordon and Louis Clark, both escapes from an industrial school in San Francisco.

They are charged with burglarizing the quarters of men employed on the Rancho Primero, at Laytonville.

Clark has been in trouble before, having stolen an automobile at Eureka some time ago. After the two escaped from the reform school they started afoot for Eureka, where Clark's home is. When the sheriff picked them up, Gordon had enlisted in the navy, hoping to evade the consequences of their crimes.

The sheriff attributes the influx of youthful criminals to the demand for labor in the woods and mills. They are picked up and shipped out of the city by employment agencies, and after working a few days turn to theft as an easier mode of picking up a living.

UKIAH PREPARED FOR WELCOME TO COUNTY TEACHERS

Many Entertainment Features are Provided for City's Visitors. Prominent Educators to Participate

All is now in readiness to greet with a hearty welcome the teachers of Mendocino county, who are to meet here in annual institute next Monday morning. School Superintendent Roy Good has worked indefatigably to perfect the details of the institute and the program as outlined promises a well balanced session, neither entertainment nor institute features being too preponderant. Local individuals called on to aid in providing amusement have been more than generous with their time and it is hoped to make the stay of the teachers in Ukiah one to be long remembered with pleasure by them. In addition some of the foremost educational talent of the state has been secured for the instruction and lecture portion of the program ,ensuring a very profitable institute from a technical standpoint. Altogether the coming institute promises to be one of the most successful ever held in the county.

Among the well known instructors to be here are Dr. Frederick Burk, president of the San Francisco State Normal School; Superintendent H. B.

Relief for Wine Men Comes Late, But Welcome Nevertheless

Partial relief for the wine men is here at last, late, it is true, but welcome, nevertheless. The revenue department has ruled that wine may be made under the regular dry wine bond and may be sold for beverage purposes after the war-time ban is lifter, whenever that may be.

Therefore those grape men who took the bull by the horns and obtained the regular dry wine bond are in clover.

However, all wine that has been made under the sacramental and medicinal bond up to this time, cannot be sold for other than sacramental or medicinal purposes, which is of small comfort to those who took out such bonds.

This definite information was brought home by Curtis A. Miller, local revenue collector, after a visit to San Francisco and a conference with the revenue authorities in that city. The conference was attended by upwards of 150 revenue collectors from all over California, and before the meeting had adjourned the matter had been thoroughly threshed out.

Originally the local collector had been notified to issue the dry wine bonds, after a number had been issued, the order was rescinded. This left the local men up in the air, so to speak, as they could not recall the bonds they had already issued. So they explained the situation to the

STOLEN AUTOMOBILE WRECKED AT LARGO

An automobile belonging to Mrs. Gertrude Miller, wife of a bank employee at Healdsburg, was stolen last Monday at Healdsburg, the thief making northward with it. The sheriff's office here was notified, and when word came in from Largo that a car had been found wrecked and abandoned alongside the highway there Monday night, it was found that the number and description tallied with those of the stolen car.

There is no trace of the thief, and evidently he escaped when the car went off the grade and has made his getaway.

FINAL WARNING TO MOTORISTS

Motorists and truck drivers in the limits of Ukiah city must watch their step henceforth. The edict has gone forth that the state law regarding tail lights and mufflers MUST be obeyed. Local officers have been notified to use all efforts to enforce the law, and if necessary arrests will be made.

This is the last warning that will be given, so better look out.

O,Toole & Mankins Threatened By Fire

The fire department was brought out by an alarm about three o'clock yesterday morning for a blaze in the O'Toole & Mankins vulcanizing plant under the Gibson Hotel. The flames were just beginning to make good headway when they were discovered by Wm. Rush.

The blaze had evidently started from a cigarette stub or some similar agency thrown in a pile of trash.

C. C. PICOU BUYS FRED PITNER HOUSE

The Fred Pitner residence on Ford street was sold this week to C. C. Picou, who will makeh is home there.

OVER THREE HUNDRED CASES ARE UNFINISHED

In pursuance of the order made by Judge White two weeks ago directing the attorneys of the county to bring up all unfinished probate and administrative matters that could be closed up and close them by next January, Deputy County Clerk Willis Prather has been digging back through the old files to discover the cases that have not been finished in order that he may notify the attorneys.

Up to yesterday he had completed the search back to 1909 and had found over 300 unfinished cases. A cursory glance back still further reveals several cases in which the judge himself was attorney which are still waiting to be closed up.

The task is going to be a difficult one, for in many cases the attorneys have passed away, and in some the administrators, executors or guardians have died, and in some cases both attorneys and appointees have joined the silent majority, or moved away beyond the ken of local people.

Will Demand Jury at Ginochio Trial

A warrant has been issued for the arrest of Jesse Ginochio, Nelson McClure and Arch Burke, who went over the grade on the Boonville road several weeks ago, while accompanied by Game Warden Bert Miller, who was trying to conduct an investigation of the packages in the car, believing one of them contained venison. The three men will contest the case by a jury trial. One package said to contain venison, was brought into town by Deputy Sheriff Ganter, who picked it up from the hillside, after the wreck. Ginochio maintains that there was no such package in his car and that the proposition is frame-up.

FIRST LYCEUM NUMBER HERE MONDAY NIGHT

The people of Ukiah will have the opportunity of hearing an excellent musical program at the Victory Theatre next Monday evening, when the first number of the Lyceum course will be given. The Hall Jubilee singers are the antists who are appearing. They are highly spoken of and rank among the best in the entertainment world.

The chance to hear them is one that ought not be neglected by anyone who can attend.

The progressiveness and public spirit of two of Ukiah's women's clubs make it possible to bring the Lyceum series of entertainments to Ukiah this winter. The Cultus Club and Saturday Afternoon Club took up the responsibility of sponsoring the series and financing it when all other local organizations were disinclined to exert the energy requisite to do so. The thanks of the public and its hearty support as well should be given these broad-minded women, in order that they may be put to no hardship in meeting the financial obligations connected with bringing the course here.

BACK TO OLD MENDOCINO

Jesse Pickle and family were in town Wednesday evening en route to Potter Valley after an extended visit in the southern part of the state. Jesse sold his ranch in Potter and was seeking a new location, but after looking over the rest of the state he says old Mendocino looks better to him than ever and he will again locate in this county.

GEORGE JOSLIN BUYS "THE FORKS" PLACE

The old road-house, known as "The Forks", was bought by Geo. Joslin this week and will be occupied by his parents, Mr. and Mrs. T. J. Joslin. Guy Joslin and family will occupy the T. J. Joslin cottage in this city during the winter.

Fire at Willits Works Destruction

WILLITS, Oct. 21.—Early Sunday morning a fire broke out in a storehouse in the rear of Earl Jamison's home. Several sheds and barns were destroyed with their contents. Earl Jamison lost his Maxwell auto, some tools and other articles he had stored. The entire loss is less than $1,000.

J. D. Metzler had another fire last week. This time he lost all of his household goods and the family all of their clothing except what they had on.

SCOTT HOWARD ANSWERS CALL OF DEATH TUESDAY

Winfield Scott Howard, better known to all Ukiah people as Scott Howard, passed away here last Tuesday after an illness lasting for several months. The funeral was held yesterday afternoon from the home of Mrs. Lula Cox, south of Ukiah.

He was born in Missouri, Jan. 22, 1848, and came to Ukiah with his parents when but a youth, the family being one of the pioneer families of this community. His father was the late Rev. Mark Howard and settled here in 1858.

Scott Howard grew to manhood in Ukiah and numbered his friends as legion.

He was married August 22, 1875, to Miss Mary Chase, who survives him. He also leaves two children, Mrs. Lulu Cox and Miss Ruth Howard, a grandson, Everett Cox, and six brothers as follows:

Pete, Taylor, Wm. and Mack of Ukiah; James of Manchester and Alf of Westport.

The sympathy of the community is extended the bereaved relatives.

BIG RANCH SOLD

WILLITS, Oct. 20.—Another big real estate deal was made here last week. Weston Barnes sold his 360 acre valley ranch to Mrs. E. M. Estey of Sebastopol for $11,000.

INSPECTION OF CATTLE WILL BE ENFORCED HERE

Stringent Law Now Governs all Shippers and Slaughterhouses.

Some time ago we published a partial list of the cattle inspectors for Mendocino county. The full list of appointments has been completed and is as follows:

County Inspector, Ralph G. Lane, Willits; Deed Wimmer, Willits inspector; Joseph Weselsky, Ukiah; Merrill Williams, Laytonville; T. H. Dill, Longvale; Roy Dunlap, Spyrock; Harvey Reynolds, Caspar; E. A. Gravier, Covelo; C. R. Perkins, Fort Bragg; A. L. Patton, Mendocino City; L. J. Locke, Dos Rios; H. A. Thompson, Hopland.

The last legislature passed a very stringent law, at the request of the State Cattlemen's Association, to regulate the shipping and slaughtering of cattle. The object of the law is to keep cattle from being stolen and then slaughtered or shipped out of the county.

Under the new law only licensed slaughter houses are allowed to kill cattle for public consumption, and before cattle are shipped out of the county they must be passed by a local inspector The local inspectors are required to make a record of all the brands and marks, keep one copy for their files and send the other to the office of the state board.

No railroad is allowed to ship any cattle until after they have been passed on by a local inspector.

WARRANT FOR FELONY FOLLOWS COURT JUDGMENT

The judgment against Claude Frazier issued in the Superior Court last Saturday for $1000 has been followed by the issue of a warrant of arrest for forgery, Frazier being the defendant. His bond has been set at $2500.

The case arises over the loan of $1000 to young Frazier by Mrs. Louis Pedrazetti of Cleone. The money was loaned on a note bearing his name and that of his father, James Frazier. The older Frazier repudiated the signature alleged to be his.

Social and Club Activities

Mrs. W. D. L. Held, Editor - Phone 63

Today social and industrial unrest are afflicting every nation of the earth; in some Bolshevism and defiance of all law and order are rampant. Even in our own beloved America we have had distressing examples of anarchy and mob rule, as witness the race riots which have disgraced Washington, Chicago, Omaha and other cities, the orgy of lawlessness in the strike of the police of Boston, and the utter disregard of human life and property in the recent strike in our own city of Oakland. Everywhere people are seeking the cause and wondering what will be the outcome of such conditions. Perhaps at least a part of the responsibility for the defiance of the law which characterizes many elements of society today may be traced to parental carelessness and neglect. The present generation of mothers and fathers have permitted their children such absolute freedom of choice as to what they shall do and how they shall conduct themselves that they respect no authority. None having been exercised by their natural guardians, many youngsters resent any attempt at control from any source. Hence we have all too many refusing to go to school, to be dominated by teacher or principal and the children who are today running the streets with questionable companions are beginning the course which may progress through juvenile delinquency, ending in riotous outbreaks and mob violence. If the parents of America would teach their children the meaning of the words, **ought, duty** and **responsibility**, we should have far less of disrespect for authority and far less actual lawbreaking.

CULTUS CLUB MEETING

The Cultus Club met on Tuesday evening at the home of Mrs. Miriam Davis and held a most delightful meeting. Mrs. Dewey and Mrs. Norton of Salt Lake City were guests of the evening. In the absence of the president, Mrs. Seawell presided very gracefully. A number of important matters occupied the business session, including the election of the secretary, that office having become vacant through the removal of Miss Mills from Ukiah. Mrs. Davis was selected to fill the vacancy. The program was of unusual merit. Mrs. Keith Eversole read a most interesting paper on the "Origin and Development of the Drama." Mrs. J. A. Redemeyer gave a dramatic reading, "The Telegram that Johnny Didn't See." Those who have heard her know what a treat the club enjoyed. Mrs. Edgar Dutton gave a pleasing piano solo. The hostess then served delicious refreshments of hot rolls, salad, coffee and salted almonds. The rooms and tables were beautiful with roses and autumn greenery. The evening was one of the pleasantest in the history of the club.

JOINT MEETING OF REBEKAHS AND ODD FELLOWS

Mrs. Ludie McCracken carried off the consolation prize. A box of delicious grapes provided the evening's refreshments.

SATURDAY AFTERNOON CLUB

The Saturday Afternoon Club met Saturday at the home of Mrs. W. D. L. Held, Mrs. P. W. Handy being the assistant hostess. The house was gay with fall flowers. In the living room were exquisite dahlias of many shades. These lovely flowers were the gift of Mrs. Hopkins and had been brought to her from San Francisco by her sister, Mrs. Ray McGowan, whose son is somewhat of a specialist in dahlia culture. The dining room was cheerful in the vivid red and green of geraniums.

Mrs. Bibbero presided at a brief business meeting. Matters of discussion were the Lyceum course which the club is sponsoring jointly with the Cultus Club and the matter of thrift education which the government is urging.

The program opened with the singing of "When Honey Sings an Old Time Song," by Mrs. Waldteufel in her sweet sympathetic voice. Miss Frances Wilson was introduced and gave a most interesting talk on "Legislation." She narrowed her subject down to legislation of particular interest to women and dwelt at some length on the community property laws enacted by the last legislature and the proposed referendum on that subject. Miss Wilson is an easy and vivacious speaker, and being absolutely familiar with her subject at first hand, having been active in urging the adoption of fair community property laws, she was easily able to hold the undivided attention of her audience.

Refreshments consisting of delicious sandwiches, olives, coffee and mints were served at daintily set tables and conversation reigned supreme for an hour.

Mrs. M. J. Rea, Mrs. Ed. Hagans Misses Dewey, Perry and Reeves were guests of the club.

CHRISTIAN CHURCH ACTIVITIES

The Ladies' Aid Society of the Christian Church held its monthly meeting in the church parlors yesterday. An excellent financial report for the summer's work was given. These industrious ladies are planning for a sale of food and fancy work on November 1, at which time many pretty handmade gifts may be had at very reasonable prices.

The work of the church progresses well under Rev. Elbert Holland's pastorate. He is both popular as a preacher and is highly regarded for his high standards and sterling integrity as a man. Among one of the departures in the church work is the Sunbeam Chorus under the direction of Mrs. E. J. Duncan, which adds much to the Sabbath School service.

The table was prettily decorated and puzzles kept the little ladies entertained until the time to progress to the next home. Misses Margaret Cox and Marjorie Young served the dessert at the home of the latter. The dining room was artistically decorated in pink and green, with the ices, cakes, bon bons and favors all in the same dainty shades. HALL JUBILEE SINGERS

The Negro Folk Songs

Who does not like the old fashioned plantation and jubilee songs? Will the people ever grow tired of them? The answers are Number 1—"Everybody." Number 2—"Not while they are sung as the Hall Jubilee Singers sing them."

The Halls will be here soon, and no lover of melody and good singing should miss them. They sing patriotic and plantation melodies, jubilee songs, duets and solos, and give inimitable character impersonations in the best style of the colored entertainers.

Personally, they are high grade men; musically they are well trained. They understand thoroughly the psychology of program building. Miss Bilbrow, pianist, as accompanist, is a most talented exponent of negro music and poetry, and her readings of the Paul Laurence Dunbar poems add greatly to the extent of the programs.

The American Legion Department.

Devoted to the Service and Ex-Service Men.

Post number 76 of the American Legion, established recently at Ukiah, met in special session last Thursday evening to decide upon a fitting celebration of "Armistice Day", which is November 11.

The organization, composed wholly of ex-service men and men who are even now in the service of their country, was founded primarily on the same basic principles as the G. A. R. that great organization of the veterans of the Civil War. But while that organization became somewhat involved in the politics of the Reconstruction Period, and lost, temporarily, all semblance of the designs of its creators, the American Legion has profited by the example of its predecessor and will make no political alliances whatsoever.

PURPOSES ARE MANIFOLD

Its purposes are manifold. At each convention held annually, in October, resolutions designed to be remedial in lifting the burden from the oppressed and in maintaining the ideals which its members fought for, are passed and are given over to the consideration of the national convention which meets annually and in which every state in the Union is represented. If a resolution is of enough importance and is in keeping with the high ideals of the Legion, it is passed on to Congress for consideration and action.

REPRESENTS AMERICA'S BEST

In consideration of the fact that the brightest minds and the best blood of the United States are embodied in this legion of men is it any wonder that the attention of the world is centered upon this living memorial of the historic past? It is the largest and strongest organization ever attempted, dwarfing all parties and sects in comparison, for it embodies them all.

ALL ARE EQUAL

Every man who has seen service, be he rich or poor will be given a chance to become a member of this democratic union. There are no generals, no colonels, no lieutenants—just comrades. The wearer of the Distinguished Service Cross and the private who served at some training camp are all equal in the true sense of the word.

Congress is only too ready to listen to the suggestions of those who "filled in the gap" and saved the world. The thinking citizens of the United States know their debt to the fighting men and are only too glad to pay back in some fay. In many towns througout the union, organizations designed for civic improvement have fallen into line and have contributed to the funds of the heroic veterans. The American Legion asks no charity. Its members have performed a service for their country which can not be reckoned in dollars and cents. But it does ask that the people at large support its enterprises.

The local posts need money for club rooms and equipment; they need money for their share in maintaining the national organization. It is with the idea of raising a portion of this money, that Ukiah Post of the American Legion, the only branch of the Legion in the county has decided to give a dance. The date has been set for Tuesday evening, November 11, which is Armistice day and will probably be known in the future as "American Legion Day"

Nothing could be more appropriate in the patriotic celebration of a day so fraught with meaning to every living soul, then an Armistice day ball, for the benefit of those who made an Armistice possible. The whole world will be given over to celebration on that day. Let us do ourr share and patronize the dance given by our returned heroes showing them by so doing that we still cognizant of the debt which we shall ever owe to them.

Ukiah citizens are usually ready to support every project that savors of patriotism. That fact was demonstrated time and again throughout the war. It has been demonstrated again during the past week. J. R. Davis, proprietor of the Victory theater has kindly offered to allow the American eLgion to conduct the show on some night that is mutually decided upon, and the only return that Mr. Davis asks is that the Legion use whatever part of the proceeds that is necessary to defray the war tax.

Photographer Pollock, who is always among the first to lend aid to a patriotic project, has offered his services in producing an amateur play, to be given in the name of and for the benefit of the American Legion. Definite plans for both the moving picture show and the play will be announced at a later date.

HIGH LIGHTS ON THE ARMISTICE DAY BALL

1. The date is Armistice Day—November 11.

2. The place is Cleland's hall.

3. The ball is given by the American Legion, in which all men who have served or are serving their country are bonded together for commendable purposes.

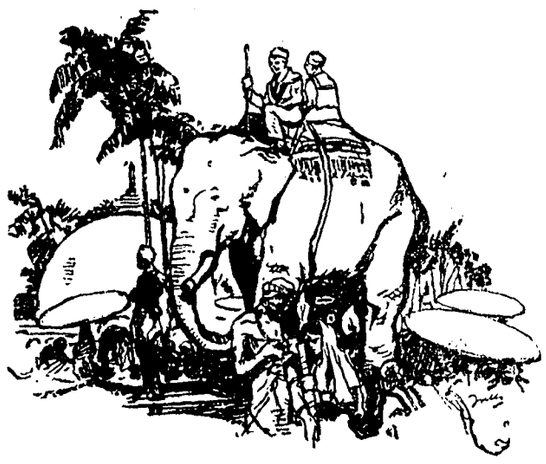
4. The music will be furnished by a real jazz orchestra form the University of California. Why say more?

5. Members of the Legion will appear either in uniform or wearing on the lapel or sleeve of their "civies' a button or ribbon showing membership in the legion.

"Reg" Caughey Is Elected Captain of Stanford "Eleven"

Word was received here during the week from Stanford University announcing that Reginald Caughey, son of Mr. and Mrs. Frank Caughey of this city, has been elected captain of the football team at Stanford.

Caughey is some husky youngster having distinguished himself many times by hurling out the shot and the hammer. Last year he played on the Stanford basket ball team and is said to be one of the speediest men on the team in spite of his great bulk. He also made a record in football while in the service. That he is hitting the line with his usual amount of strength and endurance is evidenced by his team mates selecting him to pilot the team. Caughey is playing right guard on the Stanford team.



Give the world the once over

LISTEN, fellows, to some straight talk. Many a man when he gets to be 40, *misses something*. He may have lots of money, and a fine family but—

He never "got out and saw things". After he gets settled down, *it's too late.*

Every man wants to see the world. No man likes to stand still all his life. The best time to TRAVEL is when you're young and lively—right NOW!

Right NOW your Uncle Sam is calling, "Shove off!" He wants men for his Navy. He's inviting *you!* It's the biggest chance you'll ever get to give the world the once over!

The Navy goes all over the world—sails the Seven Seas—squints at the six continents—*that's its business.* You stand to see more odd sights, wonderful scenery and strange people than you ever dreamed of.

You'll work hard while you work. You'll play hard while you play. You'll earn and learn. You'll get, in addition to "shore-leave", a 30-day straight vacation—which is more than the average bank president can count on.

You can join for two years. When you get through you'll be physically and mentally "tuned up" for the rest of your life. You'll be ready through and through for SUCCESS.

There's a Recruiting Station right near you. If you don't know where it is, your Postmaster will be glad to tell you.

Shove off!-Join the U.S.Navy

Ships Hogs To Colusa Rice Fields

DOS RIOS, Oct. 21.—Harry Beard, the Dos Rios stockman, shipped 1,700 hogs to Colusa county last week to feed in the rice fields. There is a lot of rice over there that is too wet to thresh, and still other fields that are not well harvested, and they turn hogs in to finish the job.

HAS ARM DISLOCATED

Titus Strong, a rancher residing northeast of town, had the misfortune to throw his arm out of place at the shoulder joint last Wednesday. He was brought to town and given medical attention.

WARDEN PINCHES ITALIAN; FINDS ONE CHIPPY BIRD

Game Warden Charles Perkins paid a visit to Boyle's camp the first of the week. Several Italians there had been reported to be killing quail out of season, and Mr. Perkins went out to investigate. He had not been there long when a fusilade of shotgun discharges was heard and these were followed by others later. In due time the hunter returned and entered his cabin. Perkins slipped in after him and as he started to take off a hunting coat tapped him on the shoulder very much to the Italian's surprise who stared open-mouthed at the warden who demanded the coat which he prepared to search, having visions of quail concealed in its capacious pockets. It was now the warden's turn for a surprise, however, for the pocket contained game, but when his hand drew it out where it could be viewed in the light of day, it proved to be a chippy bird.

The average Italian's classification of game coincides pretty well with that of the small boy. Everything that runs, crawls or flies represents a target to him and affords a chance to expend ammunition.—Mendocino Beacon.

Covelo High School Out for Honors

COVELO, October 20—The Round Valley high school now has basket ball teams that give promise of beating all of the high schools in the county. On account of our isolation we have not heretofore had the privilege of taking part in the inter-school contests, but from now on Covelo expects to be a factor for the other schools to figure with.

Saturday afternoon we had our first contest with outside teams and we are very proud of the result. The boys' and the girls' basket ball teams of the Willits high motored to Covelo and we can say that we broke even with them. The Willits girls beat our team by a score of 14 to 9, but the Covelo boys beat the Willits boys by a score of 14 to 10.

Our team will play the Willits team a return game some time next month, and after that we hope to play the champions of the coast league and also the Ukiah team.

We now give the county seat teams due and timely warning that they will have to go some if they beat our teams.

Mr. Miller further informs the Dispatch-Democrat that all wishing to mak the 200 gallons for home use must make a declaration of their intention to do so, and obtain the blanks from his office before going ahead with such manufacture. WHEN EVERY MOVE HURTS

Lame every morning, achy and stiff all day, worse when it's damp or chilly? Suspect your kidneys and try the remedy your neighbors use. Ask your neighbors!

A. H. Brunson, retired lumberman, 417 East Street, Healdsburg, Calif., says: "The first symptoms of kidney complaint in my case was backache. Headaches and dizzy spells also bothered me. I could hardly get dressed in the morning because every move caused a sharp pain to catch me in the small of my back. I had to pass the kidney secretions too frequently, and they caused a burning sensation. One box of Doan's Kidney Pills gave me great relief and did me good in every way."

Price 60 cents at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Brunson had. Foster-Milburn Co. Mfrs., Buffalo, N. Y.—Advt.
